Core Competencies

- **Professional Legal Services.** Assist agencies with the full spectrum of professional legal support required for the resolution, management and/or disposition of assets held by the Federal Government.
- **Debt Collection.** Provide collection services and servicing of defaulted loans which may include borrower negotiations, restructuring, and workout agreements.
- **Recovery Audit.** Audits performed to recover funds resulting from overpayments, duplicate payments and underpayments. Performed under the authority of Section 354 of the National Defense Authorization Act for FY 96 (Public Law 104-106; 110 Stat. 268; 10 U.S.C. 2461), and Section 388 of the National Defense Authorization Act for FY 98.

ENVIRONMENTAL LITIGATION GROUP, P.C. ("ELG LAW") has been recognized for more than 20 years of providing our clients vigorous representation, proactive counseling and advocacy through extensive experience as environmental lawyers and key relationships with a multitude of scientific experts.

ELG LAW has successfully recovered over \$1.4 billion for over 25,000 clients, developed EPA compliant environmental regulatory policies for municipalities and industry, enforced regulatory compliance, assessed and advised in Qui Tam lawsuits, and provided many more services where environmental matters and law meet.

Capability

- Comprehensive discovery, case development, management, and litigation of environmental cases, specializing in those related to public health – personal injury, property damage, and compliance
- Administrative and Judicial enforcement actions
- Mass tort case valuations and resolution
- Representing corporations and individuals before Federal, State, and Administrative tribunals in matters involving air, water, hazardous waste, and natural resource claims
- Defending claims brought under the citizen suit provisions of Federal environmental statutes
- Developing EPA compliant regulatory policies
- Assessing current compliance and policies to ensure they meet current legal standards
- Stewarding brownfield projects
- Representing clients ranging from real estate owners to farmers and chemical manufacturers in cost recovery actions under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the "Superfund" law, and its State counterparts.
